

## A PRIVATE VINEYARD & WINERY JOURNEY

Experience a sensory journey to the heart of the Champagne terroir: between Hautvillers and Epernay, let yourself be inspired by the history, passion and authenticity of a pioneering biodynamic House, while tasting unique cuvées in an exceptional setting.

### EXPERIENCE

From the Villa, explore **Hautvillers**, the birthplace's of champagne and one of the most historical village in the region known worldwide thanks to its former resident, **Dom Perignon**.

After discovering the bucolic and serene atmosphere of the town and its abbey, make a stop at our vineyard plot, "**Les Basses Prières**". Learn more about the vineyard work and the personality of its dedicated cuvée enjoying the landscape with a wonderful view on the valley.

Continue to Maison **Leclerc Briant winery**, to uncover the secrets of its winemaking and be guided by its unique philosophy. The tour will be conclude with a **tasting experience**, designed to deepen your appreciation of the deep and diverse personality of their cuvées.

CHAMPAGNE  
**LECLERC  
BRIANT**  
Épernay, France

*Founded in 1872 in Épernay, Leclerc Briant is a pioneer in organic and biodynamic viticulture in Champagne since the 1950s. The Maison innovates with practices such as aging one of its cuvées underwater and limits sugar addition to express the purity of the terroir.*
